

___FIRST AID / CPR INFORMATION AND REGISTRATION FORM___

Take advantage of this great opportunity! North Seattle Community College's Parent Education program is very pleased to be offering three First Aid and CPR classes this fall, free of charge, to its members. Classes will be held on September 13, October 25, and November 8 from 8:30am to 4:30pm with a one-hour break for lunch. (Note: There is no food service on campus on Saturday.) CPR will be taught in the morning and First Aid will be taught in the afternoon.

All three classes will be held on campus in Room 1409 of the Instruction Building, which is on the freeway side of the building. Parking is free on Saturdays; you may park anywhere that is not marked reserved or handicapped.

For driving directions go to: <http://www.northseattle.edu/maps/campus.htm>

Registrations for First Aid/CPR classes must be mailed or brought in to the Health & Human Services Division office of NSCC no later than two weeks before class. Because there is limited room available in the class, registrations will be accepted on a first-come, first-serve basis. We encourage coop teachers and parents who are teacher substitutes to respond immediately.

PLEASE NOTE: You will be notified only if there is not room for you in the class.

If you are unable to attend after mailing in your form, please notify the office at the number listed below, at the earliest possible time, so your space may be given to someone else. These classes do fill to capacity, and a person may get turned away if we don't know about your cancellation. Also, the instructors are paid based on the number of participants registered. To insure attendance and support the Parent Education Program goals, a \$25 deposit/donation is requested to reserve your spot. This \$25 may be donated to the Parent Education Program or returned upon your completion of the class. If you are unable to attend and you cancel at least one week before class *and your place is filled*, you may request that the \$25 be refunded, otherwise it will be donated to the program. *We will only accept checks made out to Education Fund Project 31000, with "Donation" on the memo line.*

For further questions, contact the Parent Education office at (206) 529-6029.

Mail or bring in registration forms to: North Seattle Community College
Health & Human Services Division, Attn: Bob Ford
9600 College Way North
Seattle, WA 98103

Dear Chair,

Please note that this invitation is the only copy your coop will receive. Please make as many duplicates as you need for parents who would like to register. Each person who registers should send in an individual form. We encourage you to bring copies of this form to your next parent meeting and to mail out with your summer letter, as well as talking with parents individually. Thank you.
